

LCC Walks Silverdale

Park in NT car park at GR SD 471 759

Leave car park on FP at N end and through kissing gate continue NW through Eaves Wood for 250m then left at junction SP The Pepperpot.

Climb through the woods on wide path, keeping left at fork where FP heads up to Pepperpot then straight on past foundation blocks and alongside wall on left.

After another 300m, take FP left climbing to Pepperpot.

Fork left at next marker post and continue uphill on stony path, forking left at prominent beech tree.

Continue climbing then follow FP round to the left to reach the Pepperpot atop the limestone crag

Great views S over Morecambe to Heysham.

Zig zag left then right and continue along track, taking FP heading slightly left after 50m to join another track.

Join Lane briefly then take FP on right SP 'To the Cove'

Follow path to lane and continue along lane for 100m, then head left down Cove Lane.

At cove, continue left along coast path and through gate onto NT land at Bank House Farm.

[Edit route here.](#)

Continue across limestone grassland into village.

At road, head down steps and right then left along Lindeth Road SP Jenny Briwns point

Continue climbing steadily past the houses up the lane.

For a coffee break, head left at top of hill opposite Gibraltar farm for a pit stop at Wolf House Gallery.

Return to lane and continue south along lane past farm and Lindeth Tower descending towards Jenny Brown's Point.

NT scout scar on right of lane is great for picnics and exploring.

Follow road round to left to reach the cottages. Head right onto foreshore and follow coast round front of cottages to chimney and follow path along edge of salt marsh to gate.

Head left SP Heald Brow, Hollins Lance climbing steeply through scrub to head through gate and onwards following marker posts up into the Heath.

Continue over squeeze stile in drystone wall and continue alongside wall over the grass meadows and through two gates and onto FP between hedge and wall.

Follow path to road and turn briefly right then left onto FP through woods.

Keep right, following the higher path running parallel to road then into woods. Continue through kissing gate at edge of clearing and head half right to marker post and join path SP Silverdale Green.

Continue through kissing gate back into woods for 400m then sharp right through squeeze stile at cottage and along narrow FP to join wider track left.

At road, turn right then after 100m take left fork along bottoms Lane for 100m before taking FP on right SP Burton Well.

Follow track round to left beneath the limestone cliffs past the well and into the clearing of Lamberts Meadow.

Keep left along the edge of the meadow for 100m then right across footbridge and over meadow and through gate and DUP steps into the woods.

Continue past shed to road then briefly left to join FP to left SP Dogslack Well.

Continue along track to join FP through limestone scrub past the well on left.

Continue through woodland and over stile to left on narrow path between gardens to rejoin road then right along road and across main road back to car park.
