### Description

---

### **1. START**

Leave car park on footpath through kissing gate at northern end and continue northwest through Eaves Wood for 250m then left at junction signposted 'The Pepperpot'. Climb through the woods on wide path, keeping left at fork where the path heads up to Pepperpot, then straight on past foundation blocks and alongside wall on left. After another 300m, take path on left to the Pepperpot.

### **2. 0.9 km**

Fork left at next marker post and continue uphill on stony path, forking left at prominent beech tree. Continue climbing then follow path round to the left to reach the Pepperpot atop the limestone crag, offering expansive views south over Morecambe to Heysham.

### **3. 1.4 km**

Retrace your steps back downhill to the main path along the edge of the woods and continue right to meet the Lane. Zig zag left then right and continue along track, taking FP heading slightly left after 50m to join another track. Join Lane briefly then take footpath on right signposted 'To the Cove'.

### **4. 1.6 km**

Follow path to lane and continue along lane for 100m, then head left down Cove Lane. At cove, continue left along coast path and through gate onto NT land at Bank House Farm.

### **5. 2.6 km**

Continue across limestone grassland into village and at road, head down steps and right then left along Lindeth Road signposted Jenny Brown's point. Continue climbing steadily past the houses up the lane. For a coffee break, head left at top of hill opposite Gibraltar Farm for a pit stop at Wolf House Gallery.

### **6. 4.3 km**

Return to lane and continue left along lane past farm then Lindeth Tower descending towards Jenny Brown's Point. Follow road round to left to reach the cottages.

**7. 5.2 km**

Head onto foreshore and follow coast round front of cottages to chimney and follow path along edge of salt marsh to gate. Go left, signposted Heald Brow and Hollins Lane, climbing steeply through scrub then through another gate and onwards following marker posts up onto the heath. Continue over squeeze stile in drystone wall and continue alongside wall over the grass meadows and through two gates and onto the footpath running between hedge and wall.

**8. 6.5 km**

Follow path to road and turn briefly right then left onto footpath through woods. Keep right, following the higher path running parallel to road then into woods. Continue through kissing gate at edge of clearing and head half right to marker post and join path signposted Silverdale Green.

**9. 7.8 km**

Continue through kissing gate back into woods for 400m then turn sharp right through squeeze stile at cottage and along narrow footpath to join wider track left. At road, turn right then after 100m take left fork along bottoms Lane for 100m before taking footpath on right signposted Burton Well.

**10. 8.7km**

Follow track round to left beneath the limestone cliffs past the well and into the clearing of Lamberts Meadow. Keep left along the edge of the meadow for 100m then right across footbridge and over meadow and through gate and up steps into the woods. Continue past shed to road then briefly left to join footpath to left signposted Dogslack Well.

**11. 8.9km**

Continue along track to join FP through limestone scrub past the well on left. Continue through woodland and over stile to left on narrow path between gardens to rejoin road and follow it right and across main road back to Eaves Wood car park.
